ParaHockey (ID) Dribbling classification test

Category: Mental: Individual

Difficulty: Senior

Pro-Club: European Hockey Federation
Norman Hughes, Dewsbury, United Kingdom

Description

ParaHockey dribbling test

TEST: The players ability to dodge and move to space whilst retaining control of the ball.

Player starts at cone A runs straight down to cone B before weaving in and out of central cones C

Then player drops down to cone D runs up to cone E before running across to the start position

Each player has 1 minute and scores 2 pts for passing each cone correctly

So 2 pts for moving from Gate A

2 pts for moving past and around Gate B

2 pts for each of Gates at C (8 pts in the central area)

2 points for passing around Gate D

2 points for moving around Gate E to the start

So each correct circuit scores 16 points

Each player has 1 minute.

Kit Needed:

1. 8 cones
2. 1 ball
3. Ideally 2 supervisors.
